ATM NETWORK CHANGES FOR HEART OF LOUISIANA CREDIT UNION

Heart of Louisiana Credit Union makes intentional efforts to provide convenient products and services for all members. While our Board of Directors and Management team are consistently searching for better options, there are times when services or products may be removed from use.

Beginning March 29, 2019, the ATM's located inside the CVS stores located on Edgewood Drive in Pineville and on Jackson Street in Alexandria will no longer be included in the fee free network for Heart of Louisiana Credit Union.

ATM's that remain fee-free include the ones located at Murphy USA (Wal-Mart) on Coliseum Blvd in Alexandria, on Monroe Hwy in Pineville, and in Natchitoches on E Keyser Ave.

S.M.A.R.T. ATM TIPS

We all get comfortable (or distracted) when we repeat behaviors over time. This can happen when making cash withdrawals at ATMs as well. Refocus and be S.M.A.R.T. on your next visit.

Stay in your vehicle with your doors locked and the engine running

Memorize your PIN. Do not write it down, especially on the back of your card

Always pay close attention to the ATM and the surroundings when conducting your financial business.

Revue your account regularly with your Mobile App and report any transactions that you did not make.

Tug gently on the receptor where you insert your card BEFORE inserting your card

\$100 CASH FOR EVERY NEW LINE
